

A few things SBRRRA has achieved or is working on.

- Snells Beach Road Playground equipment improvements.
- Road and footpath improvements on Mahurangi East Road from Arabella Lane south down the hill.
- Installation of the CCTV security cameras at the northern entrance to Snells Beach.
- Ongoing work to get the best deal possible from the Boathouse Bay development including significant dune enhancement.
- The SBRRRA walkways group has facilitated the building of the Te Whau walkway and built the Hamatana Rd to Grange Street walkway as the start of a walkway/cycleway connecting Snells Beach to Warkworth.
- Investigating installing adult fitness equipment along the waterfront walkway.
- Education signage about the shorebird visitors and inhabitants
- Ongoing advocacy to Auckland Council regarding road improvements and other issues.
- Maintaining a strong working relationship with our Rodney Ward Councillor and Rodney Local Board.
- Encouraging broad community involvement to ensure SBRRRA is relevant and pushing in the direction the community wants and needs.
