

**NEIGHBOURHOOD SUPPORT
NEWSLETTER #6: 1 December 2020**

Dear Street Coordinators & Residents

How quickly this year has gone... even considering all the interruptions and uncertainties that we have had to endure. The relevance of being connected to our neighbourhood and being in the Snells Beach area has become very relevant.

The bi-monthly public meeting of the Snells Beach Ratepayers & Residents Association was held on the 2nd November 2020 and was well attended. "Auckland Council's Regional approach to Coastal Management" is certainly a subject that is relevant and Paul Klinac from the Auckland City Council gave an informed presentation.

If there are matters that you feel need to be addressed in your street, or area, please contact me or Margaret Faed of the Neighbourhood Support, Rodney area.

Neighbours Day Aotearoa 2021: March 20 - March 30 2021

The 2021 year's theme is "The Great Plant Swap" - idea is that neighbourhoods are to grow stronger together. There are plans for a Beach BBQ - and each Street will have their own interpretation of how they celebrate Neighbours Day. Further details to follow.....

Our newsletters from Neighbourhood Support are soon to be added to the website of the Snells Beach Ratepayers & Residents Association, SBRRRA: www.snellsbeach.co.nz which will be helpful if you have missed receiving a copy.

I would like to welcome Christine Bolstad our new Street Coordinator in Amanda Lane. It was good to meet up with Christine & Trevor - they have lived in Amanda Lane for 30 years and of course have seen many changes.

In the planning stages will be a meeting of Street Coordinators in February 2021 at the Betty Paxton Room, Hamatana Road, Snells Beach. This will be an opportunity to share ideas and also put in place plans for the **Neighbours Day Aotearoa 2021**.
