

**NEIGHBOURHOOD SUPPORT, Snells Beach
NEWSLETTER #7: January 2021**

Dear Street Coordinators & Residents

Happy New Year to you all! How lucky we to be enjoying such a wonderful area to live in, and now the weather is playing it's part as well.

Covid-19:

It was alarming to learn that in our nearby areas further North, there was a positive case of Covid-19 recorded. It is a grim reminder to keep vigilant at all times and if you are feeling unwell, don't go shopping... but **stay at home** and contact your nearest health provider. Apart from individuals having to suffer through all this, our local businesses lose trade due to many uncertainties, understandably!

Street Co ordinators:

The Neighbourhood Support Booklet has arrived and has been delivered to the Mahurangi Police Station. When you have the time, please collect from there and deliver to your street addresses. The Police Station is open via Volunteers from Monday through to **Friday from 10.00am - 2.00pm.**

If there are matters that you feel need to be addressed in your street, or area, please contact myself or Margaret Faed of the Neighbourhood Support, Rodney area.

Neighbours Day Aotearoa 2021: March 20 - March 30 2021

The 2021 year's theme is "**The Great Plant Swap**" - idea is that neighbourhoods are to grow stronger together. There are plans for a Beach BBQ - and each Street will have their own interpretation of how they celebrate Neighbours Day. Further details to follow.....

SBRRA:

Our newsletters from Neighbourhood Support are soon to be added to the website of the Snells Beach Ratepayers & Residents Association, SBRRA: www.snellsbeach.co.nz which will be helpful if you have missed receiving a copy.

\$10.00 per household per year - www.snellsbeach.co.nz.

Still in the planning stages will be a meeting of Street Coordinators in February 2021 at the Betty Paxton Room, Hamatana Road, Snells Beach. This will be an opportunity to share ideas and also put in place plans for the **Neighbours Day Aotearoa 2021**.

**Would you believe my
neighbor was knocking
on my door at
2:30AM this morning?
Luckily, I was still up
playing bagpipes.**
