

**NEIGHBOURHOOD SUPPORT, Snells Beach  
NEWSLETTER 10: May 2021**

**Dear Street Coordinators, Residents & Businesses**

We had a very good turnout for our Street Coordinators Support Group meeting at the Betty Paxton on the 16<sup>th</sup> March 2021. There were some good ideas muted, one being having a Street Coordinator badge. We are fortunate to have a Graphic Artist in our midst and we are in the process of sorting out the design and printing of a name badge. These should be available soon.

**Snells Beach Community Garden:**

Still in the planning stages, a group would be formed to choose a site and bring together a group that could run and manage this. I have collected names at the Neighbours Day in March. We need a **Community Garden Liaison** person who can pick this idea up, form a group to bring to fruition. If you know of someone, please let me know and we can get this started.

**Snells Beach Ratepayers & Residents Assn:**

Our newsletters from Neighbourhood Support are now being added to the website of the Snells Beach Ratepayers & Residents Association, SBRA: [www.snellsbeach.co.nz](http://www.snellsbeach.co.nz) which will be very helpful if you have missed receiving a copy.
