

NEIGHBOURHOOD SUPPORT, Snells Beach
October 2021

Good morning Street Coordinators, Residents & Businesses

Instead of my usual monthly newsletter with local Neighbourhood Supporter information, this month the idea is to support our local businesses. Here are a few of the businesses who have forwarded their information to me, the view is to shop local and assist our local businesses in these difficult times.

Bayside Bistro:

Bayside Bistro is open every day 8-2pm. We are doing sweet and Savoury cabinet foods, new doughnuts every day, coffees and cold drinks, ice creams and picnic baskets – currently offering a fisherman's basket with fish, mussels, prawns, scallops, fish and chips for \$12 and fish or chicken and chips for kiddies for \$8.

We can take orders on 09 422 2047, and we are only taking cards as payment method at the moment.

Unichem Snells Beach Pharmacy:

We are offering Covid-19 vaccination instore. The service will be available from Wed 20/10. Patients can either book online by visiting bookmyvaccine.co.nz or contact us on 09 425 4555. We also offer walk-ins appointments.
